

Dr. Ezekiel R. and Edna Wattis Dumke Foundation Charitable Fund 2023 Fall Giving Report

In Partnership with the Community Foundation of Utah

The first annual grantmaking cycle of the Dr. Ezekiel R. and Edna Wattis Dumke Foundation Charitable Fund was administered in 2023 by the Ogden Circle of Giving (OCOG) in partnership with the Community Foundation of Utah. Weber County focused 501(c)(3) nonprofit organizations which promote positive change through creativity, innovation, education, or enhanced well-being were eligible for funding.

After careful consideration, the OCOG selected Seager Memorial Clinic and YCC Family Crisis Center for the Fall 2023 grant cycle. These organizations are committed to making a positive impact in serving the underserved communities of Northern Utah. Their initiatives align with the OCOG and the Dr. Ezekiel R. and Edna Wattis Dumke Foundation Charitable Fund.
